

# Phone and Feature Guide

AT&T Z431

unleash  
your social life.

See User Guide for instructions in Spanish.

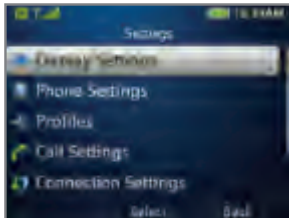

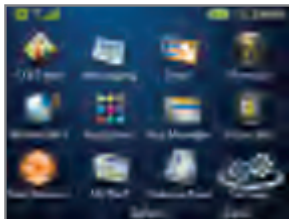

# Setting Up Your Phone

Customize and personalize your phone with sound profiles, wallpaper, ringtones, and more.

## Settings

① From the home screen, press the **Right Soft Key** for **Main Menu**.

② Select **Settings (#)**.

- **Display Settings** – adjust theme, wallpaper, backlight duration, and more.
- **Phone Settings** – assign shortcut keys, change the language, set the date and time, view phone info, enable TTY, and more.
- **Profiles** – adjust alert tones, ringtones, and ring volume and type for each sound profile.
- **Call Settings** – enable call forwarding, activate call waiting, change answer mode, and more.
- **Connection Settings** – connect to *Bluetooth*® devices and edit modem and access point settings.
- **Security Settings** – reset your device, turn on or change PIN and phone lock codes, and edit fixed dial numbers.
- **AT&T Software Update** – check for software updates to your device.

In any of the above menus, highlight an option and press  to select and adjust your settings.

<b>Send Key</b>	From the home screen: Press to view call history.
<b>Space Key</b>	From the home screen: Press and hold to activate silent mode with vibration.

# Text and Picture Messaging

Use text messaging to quickly and privately send text messages to other wireless phones and email addresses.

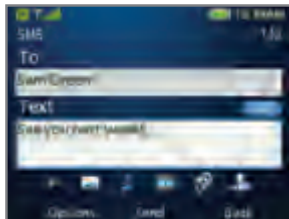

## Send a Message

- ① From the home screen, press the **Right Soft Key for Main Menu**.
- ② Select **Messaging (2)** > **New Message**.
- ③ Enter a contact name or phone number(s). You can also press  to add recipients from the Address Book.
- ④ Scroll to the **Text field** and type your message.
- ⑤ Press  to send the message.

## Add a Picture

- ① When you create a message, scroll down and select **Add Picture**.
- ② You can take a new picture or choose one from your gallery.
- ③ Press  to send the message.

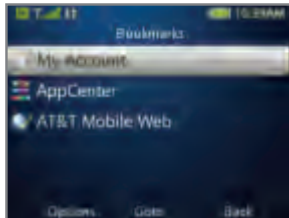

*Please don't text and drive.*

# Mobile Web

Access the Internet on the go! Check weather, news, and visit your favorite sites right on your mobile phone.

- ① From the home screen, press the **Right Soft Key** for **Main Menu** and select **Mobile Web (5)**.
- ② Press the **Left Soft Key** for **Options** and select **New Link [\*] (1)** to enter a website address.
- ③ Type a website address directly into the URL field, or, scroll down the list of recent websites using the **4-Way Navigation Key**.
- ④ Press .
- ⑤ While browsing, you can access a list of favorite sites by choosing **Options > Goto (3) > Bookmarks (1)**.
- ⑥ To add a site to the list, select **Options > Web Page Options (4) > Add to Bookmarks (3) > Save**.

**Note:** Highlighting a hyperlink on a page will result in different numbers under the Options menu.

# Camera

Capture those special moments right on your phone and then send them to friends and family!

## Take a Picture

- ① From the home screen, press and hold the **Camera Key** to access the camera.
- ② Press the **Left Soft Key** to access camera settings such as brightness, contrast, white balance, effect, quality, and more.
- ③ Press  or the **Camera Key** to take a photo.
- ④ Your picture will be saved to the My Pictures folder.

## Send a Picture

- ① After taking a picture, press  for options.
- ② Choose **Send > As Multimedia Message**.
- ③ Highlight the **To field**, and enter a contact name or phone number(s). You can also press  to add recipients from the Address Book.
- ④ Scroll to the **Text field** and type your message.
- ⑤ Press  to send your picture message.

# Multitasking

Browse the web, send and receive messages, and listen to music, all at once! One key changes your task quickly and easily.

- ① If you're involved in one task and want to switch to or launch another, press . You can then select the home screen, Main Menu, or another open task.
- ② To end a task, scroll to the task and press the **Left Soft Key**.

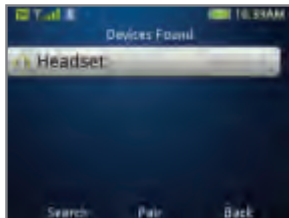

Note: AT&T Navigator and AT&T Social Net are not available through this feature.

# Bluetooth

Take advantage of *Bluetooth* wireless technology to connect to headsets, speakerphones, computers, and more!

- ① Before you begin, place your *Bluetooth* device into pairing mode. From the home screen, press the **Right Soft Key** for **Main Menu**.
- ② Select **Settings (#)** > **Connection Settings** > **Bluetooth**.
- ③ Press  to set *Bluetooth* to **On**.
- ④ Select **Search for Devices** to search for devices near you.
- ⑤ Highlight the name of the device that you would like to pair with and press . You may need to confirm a passkey.\*

\*Please consult the documentation included with the *Bluetooth* device for information on placing the device into pairing mode and entering the passkey (typically 0 0 0 0 – four zeroes).

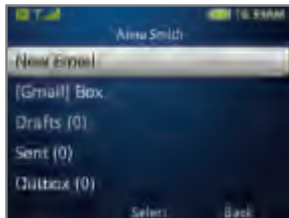

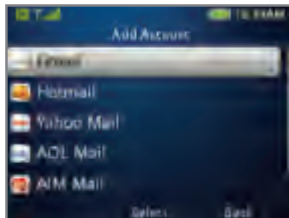

# Mobile Email

Carry your inbox in your pocket! Access AOL®, Yahoo!® Mail, Gmail™, AIM®, and Hotmail® with Mobile Email.

## Set Up an Email Account

- ① From the home screen, press the **Right Soft Key** for **Main Menu** and select **Email (3)**.
- ② Choose a provider from the list. You can add up to five accounts.
- ③ The Setup Wizard will ask you for an email address, password, and other information depending on the provider you chose.
- ④ When you select **Others**, you may be asked to accept terms of service and/or select your email domain. Follow the on-screen instructions.
- ⑤ Press  to save your account.

## Send an Email

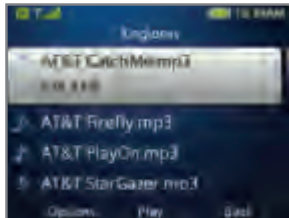

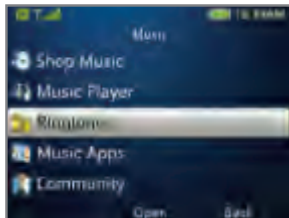

- ① From the home screen, press the **Right Soft Key** for **Main Menu** and select **Email (3)**.
- ② Highlight the account you wish to use and press .
- ③ Choose **New Email** and press  to select a recipient from your contacts. Or, type in an email address.
- ④ Enter your message and press  to send.

# Change Your Ringtone

You can change your ringtone in My Stuff or Settings. You can also download ringtones from the AppCenter.

## Through My Stuff

- ① From the home screen, press the **Right Soft Key** for **Main Menu** and select **My Stuff (0)**.
- ② Select **Music > Ringtones**.
- ③ Press  to preview a ringtone.
- ④ Highlight a file and choose **Options**.
- ⑤ Select **Set as (1) > Voice Call Ringtone (1)**.

## Through Settings

- ① From the home screen, press the **Right Soft Key** for **Main Menu**.
- ② Select **Settings (#) > Profiles**.
- ③ Highlight a profile and choose **Edit**.
- ④ Choose **Voice Call Ringtone**.
- ⑤ Highlight a ringtone and press  to select it.

# AT&T AppCenter®

Let your phone reflect your style with downloadable ringtones, answer tones, games, and more—all from the AT&T AppCenter.

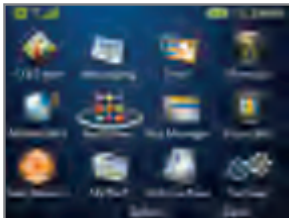

## Access the AppCenter

- ① From the home screen, press the **Right Soft Key** for **Main Menu** and select **AppCenter (6)**.
- ② To find an app, select **Menu > Categories** to browse Games, Music, Entertainment, and other categories.
- ③ Highlight the app you want and press  to view product information and cost.
- ④ Follow on-screen instructions to download the app.

## Access Applications

- ① From the home screen, press the **Right Soft Key** for **Main Menu**.
- ② Select **App Manager (7)**.

From here, you may access applications or select **Menu > Shop AppCenter** to purchase new ones from the AppCenter.
